Dear Deputy Grand Regent:

Congratulations on your appointment as a Deputy Grand Regent of the Women of the Moose! We shall enjoy a successful year working together for the Women of the Moose.

Enclosed you will find the forms for the annual Women of the Moose Convocation to be held under the auspices of the College of Regents in your state or province on Sunday, October 25, 1953. It is your responsibility to select the hostess Chapter and it is advisable to consider traveling in making the selection so representatives from all Chapters may attend as there is only one session and the capping ceremony for Junior Graduate Regents who met the requirements toward qualifying for the College of Regents will want to attend. The meeting room should be large and it is advisable to have smaller rooms available for the small group meetings scheduled for the morning session.

Please complete Form A in full and return as quickly as possible to the office of the Grand Recorder, Mooseheart, Illinois. The program for the Convocation will be mailed to each Chapter to assure active participation. Please have the Hostess Chapter send a verified approval and you should be sure that each co-worker selected as a discussion leader will be present as the program will be compiled from the information which you furnish.

It will be impossible to send a list of the College of Regents members in your state or province but we shall be glad to send the correct address of any individual Collegian you may need.

Encourage all Chapters in your state to bring a large number of candidates to be initiated into the Women of the Moose on October 25. Also emphasize that contributions for the College of Regents Scholarship Fund will be received at the Convocation. If you wish to send a letter to each Chapter, please inclose the copy with Form A and we shall include it with the program.

Make this the biggest and the best Convocation that has ever been held in your state or province. Please return Form A. to the office of the Grand Recorder promptly as we want to send out the programs by the first of October. Please follow all instructions carefully.

Wishing you every success in your Convocation under the auspices of the College of Regents, I am
